Interlend 101 - Back to Basics

**27th- 28th June 2013
The Maldron Hotel, Cardiff**

The Forum for Interlending and Information Delivery (FIL) are pleased to confirm that the only UK annual conference specifically for and about the world of inter-library loans, Interlend 2013, will take place on the 27th-28th June 2013 at The Maldron Hotel in Cardiff. Once again this will be an essential opportunity for inter-lending staff to meet and exchange news and best practice experiences with their colleagues across the public, academic and special library sectors.

The theme for 2013 is “Interlend 101- Back to Basics”, and as always the focus will be on providing practical guidance and advice from enthusiastic and knowledgeable speakers from throughout the profession.

There will also be a tour of the award winning Cardiff Central Public Library building situated a short walk from the Maldron Hotel.

AGM and Committee Membership

The second day will see the FIL Annual General Meeting (AGM). The Committee especially welcomes approaches from personal and institutional members wishing to stand for election. For more details on what being a Committee member entails and the opportunities for professional development please contact the Chair or any other current Committee members for more details.
